

Rose Hill School Activities and Clubs for the SUMMER TERM 2010

The following clubs/activities are available provided we have enough interest to make them viable. After discussion with your child, he/she should report to the relevant member of staff and register as soon as possible. Parents of children that wish to attend Yr 2 Clubs, Year 3 Cookery, or any Swimming clubs with Mrs. Walther, must notify Mr. Fung-On via his Email boysgames@rosehillschool.co.uk

Please note that where an activity is oversubscribed the teacher in charge may select in order of seniority. Members of the **choirs and orchestra** must attend their rehearsal times as a priority over other activities. Final lists will be ready in order to start clubs on 26th April, so registration should be done by **Friday 23rd April**. Activities marked with an asterix * are taken by outside agencies, and therefore will be charged for.
