

THE FINAL TWO YEARS What Do The Pupils Say?

I had a very successful time at Rose Hill. I worked hard to gain an Academic Scholarship to Tonbridge School. I gained full colours for football and cricket in the 1st XI and enjoyed participating in a number of Rose Hill's musical productions.

Michael Anderson

"My time at Rose Hill developed me in many areas. I took lead roles in two major musicals My Fair Lady and Anything Goes. I eventually became Head Girl. I gained an Academic Scholarship to Roedean School."

Ameiliah Cotton

"I joined the school in Year 7 and made friends quickly. I was a school prefect and Captain of Girls Games. I took a leading part in Anything Goes making use of my dancing skills. I developed my sport and academic skills and won a Sports Scholarship to Beechwood Sacred Heart."

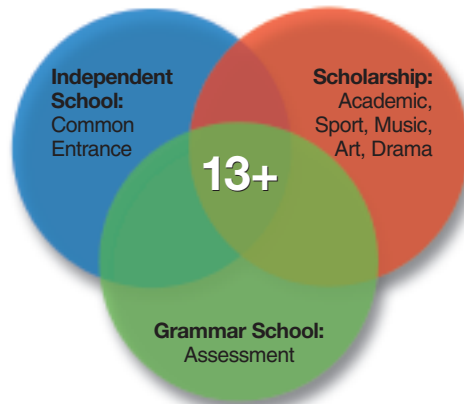

Joanna Woodward

"I arrived at Rose Hill in the Kindergarten and was there for 10 years until July 2004. I became a school prefect and I achieved 5 gold, 2 silver and 1 bronze medal in the Kent County Athletics Championships. I gained a Sports Scholarship to Sutton Valence."

Success in a Caring Environment

The top two years at Rose Hill provide a bridge between primary and secondary education and great opportunities for personal and academic development. Children can take on roles and responsibilities which do not normally happen in a secondary school until a child reaches the sixth form.
