

ROSE HILL SCHOOL

ROYAL TUNBRIDGE WELLS

YEAR 4 SCIENCE EXAM REVISION LIST, SUMMER 2008

Moving and Growing

Exercise and what it does to the heart
Keeping healthy

Keeping Warm

Insulators and conductors

Liquids and Solids

Define/what are their properties
Separating materials
Read scales (eg. Thermometer)
Interpreting graphs

Friction

Friction on different surfaces
Water resistance

Habitats

Adaptability (why animals live where they do)
Keys
Food Chains
Plant Life Cycle

General

Fair testing
Clear, in-depth explanations for answers
