NEWSLETTER 9 SEPTEMBER 2022

HARVEST FESTIVAL

This year's Harvest Festival takes place on Monday 26 September. A guest speaker will deliver the harvest assembly to the whole School with Kindergarten celebrating harvest in their classroom. If you wish to make donations, which the School Council will take to the Nourish foodbank, could you please adhere to the following guidelines:

- Tinned or dried foods -fruits, rice pudding & custard, canned vegetables, tinned meat, pasta, milk, (long life & dried). Tinned food must have at least 6 months left on the 'sell by' date as the food needs to be stored for a long time before being used throughout the year.
- Items such as biscuits, chocolate, coffee and tea.
- Please do not bring fresh produce.

PrePrep children should leave their donations by the Octagon, whilst Prep School children should leave goods in the atrium in the Prep School. Any baskets / boxes should be named including your child's form / class so that they can be easily identified for return.

FROM THE SCHOOL NURSE

Nut Allergy. We have a number of pupils with a life threatening nut allergy within our community so please ensure no nuts are brought into school. Please provide a healthy, nut free snack for your child.

Birthday celebrations. Many parents like to generously bring in treats to share with their child's class on Birthdays. The following items **only** are permitted to be brought into school for birthday celebrations:

- **Individually wrapped sweets** eg. Treat size bags of Haribo
- **Individually wrapped chocolate** eg. Treat size bags of buttons

These items will be given out at the end of the school day, to be brought home to be enjoyed under the supervision of parents. Thank you for your understanding & cooperation.

Asthma inhalers. If your child suffers from viral wheeze or asthma, please ensure they have a named Salbutamol inhaler and spacer in school. This should be given to the School Office.

Water bottles. All pupils should bring a named water bottle to school each day please. Dehydration is the leading cause of headaches and affects concentration, learning, bladder and bowel health.

Nasal Flu vaccination. Kent Community Health will deliver the annual flu vaccination to pupils in Reception – Year 6 on Friday 11th November. A letter will be sent via ParentMail in October with further details, and a link to give consent.

Vomiting bug. A small number of children have been affected by a vomiting illness since their return to school. Any child suffering with diarrhoea or vomiting must please remain absent from school until **48 hours after** the last episode. Wishing all families affected a speedy recovery.

If you have any concerns about your child's health please get in touch laura.bailey@rosehillschool.co.uk

SPOND, PREP SCHOOL MATCH FIXTURES

Dear Parents,

As we approach the start of our sporting calendar, I would like to inform you about a new match notification platform that we will be trialling this first term. We will be aiming to deliver weekly notifications via Spond. Notifications will be delivered on Monday evenings, informing you of the team your child is in, the opposition, location and timings. Start times for events refer to when the match will start and finish times refer to when your child will be ready for collection from school.

You should shortly be receiving an invite to the platform. This will require you to register an account and join the *Rose Hill School Sport* group. If your child's local grassroots team already uses Spond, the school group will be added to your existing app/account. When you accept the group invite, please ensure that you do not make your information visible to other members. It is essential that details must only be visible to school administrators. Once registered, please check the details and contacts that have been allocated to your child's profile.

Below is a step by step-by-step guide if you do not already have a Spond account:

Step 1

Access the Spond website www.spond.com

Select the 'Sign Up' option

Step 2

Register your details

Step 3

Return to the log-in page and use your new account details

You will then be logged into the School's Spond Sports Page

Please bear with us during this early weeks whilst we iron out any teething problems.

If you do have any queries please do not hesitate to contact us.

Kind regards,

Simon Hinchliffe and Catherine Groves
